

# Business and Commercial Litigation in Federal Courts, 4th

Robert L. Haig, Editor-in-Chief

COMPREHENSIVE COVERAGE OF PROCEDURE,  
LAW, AND STRATEGIES BY 296 EXPERT AUTHORS

## CRITICAL ACCLAIM FOR THIS TREATISE

"[M]ust be considered the best, most complete and user-friendly treatise on civil federal court litigation currently in print."

– **Tyrone C. Fahner**  
*Chicago Daily Law Bulletin*

"This treatise belongs in the library of every lawyer and law firm that engages in any significant amount of commercial litigation in the United States."

– **Thomas R. Schuck**  
*The Federal Lawyer*

"This is a treatise that any lawyer who practices in the area of business and commercial litigation will find invaluable. ... The profound practicality of the materials and their discussion of tactics and strategy should make it a resource of first resort for any litigator, young or old."

– **Michael D. Zimmerman**  
*Utah Bar Journal*

"There is nothing like it. It is the single most useful tool for the federal litigator in existence, except possibly the Federal Rules of Civil Procedure. ... I have tried hard to think of a relevant subject matter that is not covered in this treatise but I cannot come up with one."

– **Paul C. Saunders**  
*New York Law Journal*®

Learn to handle every stage of commercial litigation from inception to resolution. This treatise includes in-depth discussion of litigation procedure and substantive law, practical advice and strategic guidance, and numerous special features to help you represent your client successfully and cost-effectively in federal courts.

A joint venture between Thomson Reuters and the American Bar Association Section of Litigation, this set features the work of 296 expert authors, including many of the best-known commercial litigators and judges in the United States.

This treatise has been critically acclaimed in more than 380 book reviews published in legal newspapers and bar journals throughout the United States. Enhanced with 25 new chapters, revisions to the 128 chapters carried forward from the Third Edition, and discussion of thousands of new cases, this seminal work has now been completely revised and expanded.

## Features and benefits

- Unique and invaluable resource that has become the definitive work in its field
- Effective strategies for each step of a case, from investigation and assessment through parties, pleadings, discovery, motions, trial, appeal, and enforcement of judgment
- Seventy-eight substantive law chapters that cover the subjects most often encountered in commercial cases, including securities, antitrust, banking, contracts, insurance, sale of goods, intellectual property, professional liability, business torts, franchising, and many other business and commercial law topics
- New chapters that cover such additional topics as marketing to potential business clients, teaching litigation skills, social media, regulatory litigation, civil justice reform, cross-border litigation, securitization and structured finance, advertising, health care institutions, fraud, fiduciary duty litigation, joint ventures, international trade, fashion and retail, mass torts, and more
- Coverage of litigation avoidance, crisis management, and settlement techniques such as negotiations, mediation, and more
- Litigation risk and cost/benefit analyses that enable you to evaluate procedural steps in the context of an overall litigation plan
- Treatment of litigation expediting and streamlining, technology, and management by both law firms and corporations
- Extensive coverage of discovery procedures and strategy, including such topics as depositions, document requests, discovery of electronic information, interrogatories, requests for admissions, and expert disclosure
- Eleven chapters covering every aspect of trial procedures, techniques, and strategies
- Comprehensive treatment of remedies, including compensatory and punitive damages, specific performance, rescission, declaratory and summary judgments, and more
- Over 50,000 citations to current cases, statutes, and rules
- Common chapter structure with time-saving and practical features for all topics, and numerous cross-references, so you can quickly find the information you need
- Procedural and practice checklists, and checklists of allegations, defenses, and sources of proof, that help you plan discovery and evaluate your case
- More than 1,000 pages of essential litigation forms and jury charges that facilitate document preparation and drafting, and help you effectively manage a wide range of cases
- An appendix containing tables of laws, rules, and cases, plus an index

**Components:** 14 hardbound volumes, two softbound volumes

**Update Frequency:** Annually

**Product Number:** 15342716
